

RESORT SAFETY & CLEANING PROCEDURES

- Public spaces will be cleaned every one to two hours, or more depending on volume of guest, staff and delivery traffic
- Frequent cleaning of high touch points, including all entry doors and handles, front desk counter/surfaces, pens, key cards, elevator doors and buttons (inside and out), public computers, public bathroom door handles, toilets and toilet seats, water faucet handles, light switches, hand blowers, and flooring
- We will frequently empty trash and disinfect in all public spaces as needed
- For your safety and the safety of others we are encouraging the practice of social distancing while using our elevators. All guests should wear face masks or face protection while occupying the elevator and guest common areas and we encourage you to use the stairs whenever possible

CHECK-IN INFORMATION

In order to keep social distancing standards, only one guest (whose name is on the reservation) should enter the lobby for check-in.

- Front desk clerks will wear gloves and masks
- Social distancing will be promoted, with floor markings six feet apart
- Plexiglass partition is installed at the front desk in front of each station
- We will have a container for guests to place used pens for sanitizing
- We will continuously clean all front desk surfaces between guests

ACCOMMODATIONS: SAFETY & CLEANING PROCEDURES

The following safety and cleaning measures are being taken for the accommodations in our guest rooms:

- All cleaning equipment will be cleaned and disinfected daily
- Housekeepers will wear gloves and facial masks at all times while cleaning and will discard gloves upon completion of cleaning each unit
- All high-touch points will be cleaned thoroughly between guest stays, including door handles, locks/latches, light switches, all desks and counters, coffee maker, telephone, TV remote, clock radios, drapery pulls, lamps, bathroom handles, toilets and toilet seats, waste cans, and all floors
- Strict laundry protocols will be followed when our staff is handling linens and towels including measures to prevent cross-contamination between clean and dirty linens during the collection and cleaning process
- Sofa bed linens (for applicable room types) will be bagged and sealed before they are put into a room
- Rooms will be electrostatically fog treated and between each arrival

HOUSEKEEPING SERVICES

To minimize contact for the safety of our guests and staff, daily housekeeping service will be offered in a modified format:

- All rooms will be made up with fresh, clean linens and towels prior to every guest check in. Exchange of towels, bed linens and other amenities will be provided upon request only during your stay. Spare plastic bags will be placed in your room prior to arrival to trade dirty linens in to get clean linens and also trash if required. Place bags outside your room each morning and a housekeeper will remove and replace with fresh bag of clean linens. Please call our front desk to request housekeeping service.
- Turndown service on our concierge level will be offered in a modified format unless traditional turndown service is requested. Call daily to our front desk if turndown service is desired.

PROPERTY AMENITIES

Many of our property amenities are open as possible under state guidelines in keeping the safety of our guests and staff in mind.

* Regulations are subject to change without notice. We appreciate your understanding.

BEACH USAGE

Delaware beaches and boardwalks are open and can be enjoyed by with responsible social distancing and wearing of face masks while on the boardwalk. Lifeguards and local law enforcement are patrolling the beach areas for public safety. Beach chair and umbrella vendors are open for rentals.

REHOBOTH BEACH AREA

Local businesses are operating under local and federal guidelines and ordinances. Below is an overview of current operations; however, please check with any individual businesses you are interested in patronizing for more information on their current operations. These operations are subject to change.

Restaurants: Restaurants are available for take-out and delivery, as well as indoor and outdoor dining, if they so choose to be open and must follow certain guidelines. Many restaurants in our area are offering delivery through such options as Grub Hub and Chow Now, Door Dash and Uber Eats.

Retail Stores: A variety of types of stores are able to be open if they so choose to be, some by appointment only.

Essential Businesses: Grocery stores and other types of stores deemed essential have been permitted to remain open.

Additional Business Types Available to be Open: Barbershops, hair salons, body-art facilities and tattoo services, tanning salons, massage-therapy establishments and massage services and commercial gyms including group exercise facilities such as yoga studios, barre classes, and others.

Attractions: Many museums, waterparks, bowling alleys, go-kart tracks, mini golf and more still remain closed until further notice. Please check with area attractions before visiting.

**Note, check with each individual business you are interested in visiting for their planned open dates, as they may choose to open later and current operating hours.*
